MRS. HOMER GASTON RETIRING PUBLISHER

Mrs. Gaston worked with inspired strength. With the help of Harold and his wife Millie the presses did not stop.

Moving time came again in May of 1965. After a great deal of bargaining with Illinois Bell Telephone their office on Victoria Street became the new home of the Antioch News. An addition was built to house the printing machinery. So to speak, the Gastons bought the front and then built the back.

Through the engineering skill of Harold Gaston, every piece of machinery was disassembled, moved and reassembled within a week, a tremendous feat. However, due to loyalty and a deep dedication to a cause, the paper did not miss a week.

Mrs. Gaston (Millie) gave these figures for reflection. "Since 1925, that is 46 years ago, the Antioch News has an unbroken chain of weekly publications. The publication of June 16, 1971 ends the 85th year of the Antioch News."

Our commendations and gratitude to all of the Gaston family.

The printing machinery is made by man to do a job. Durable and sturdy, the presses roll on and on. How many hours, how many years Homer Gaston watched these machines publish his editorials, his brilliant writing, his paper! The presses continued to operate. The Linotype continued to set type. Man, however, wears out. In November of 1943, at 60 years of age, Homer Gaston died.

"He was a militant country editor who kept a watchful eye over Lake County affairs," said the Chicago Tribune. During Homer's 17 years as publisher and editor, the Antioch News had been cited for Illinois state and for National Country weekly honors for its high standard of journalistic and printing excellence.

A lasting memorial to Homer Gaston lies in Antioch's being named "Hub of the Lakes Region" a title which he coined.

Then a vallant, determined and dedicated woman carried on, bringing the news to the community of Antioch,

Publisher of the Richmond Gazette takes residence in Antioch.

A. B. Johnson sells out.

Homer Gaston purchases the Antioch News.

The late summer of 1926 brought Mr. and Mrs. Homer Gaston and family to Antioch when Gaston had the opportunity to purchase the Antioch News from A. B. Johnson. Mr. Gaston had previously been the publisher of the Richmond Gazette.

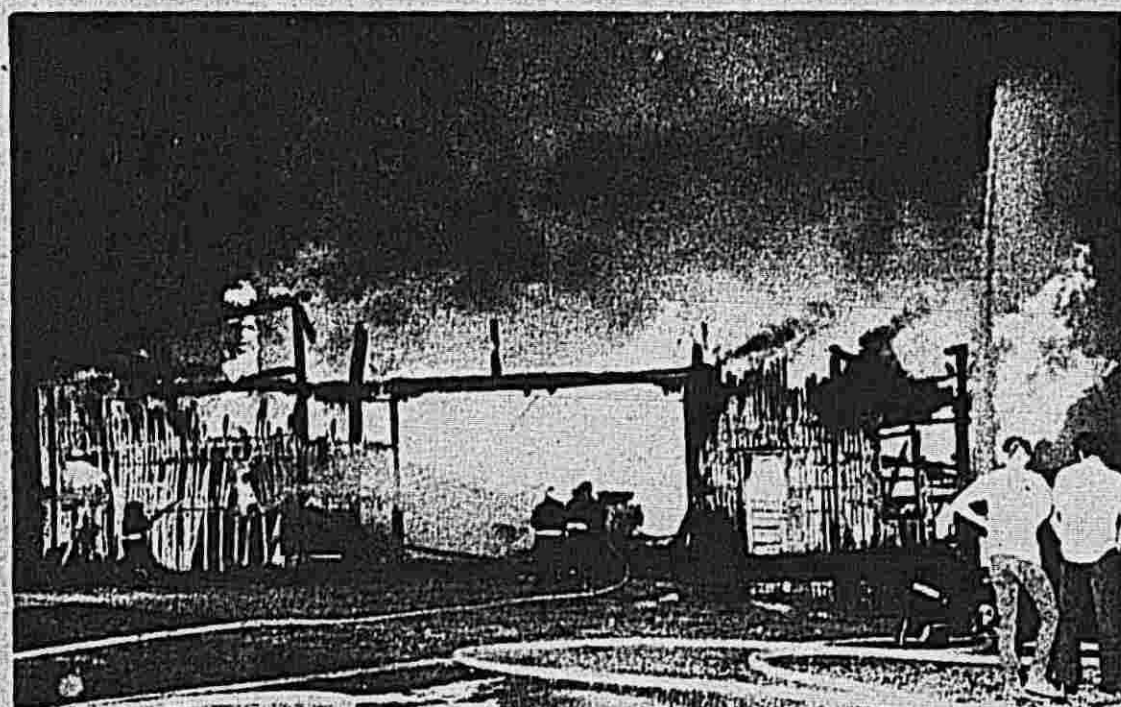

Due to time, change and progress the Gaston's first news office and shop has disappeared. The older members of the community can recall the quaint little building on the northeast side of Main Street where the presses rumbled and rolled to publish the newspaper. The remnants and memories are covered and replaced by the present constructions of Don Pittman Pontiac and John Teresi Chevrolet.

During these early years the staff members were Homer Gaston, John Moore (later the owner of the North Chicago Tribune) and Goldie Davis. According to Don Gaston, one of the

original presses is with the collection of the Lake County Museum.

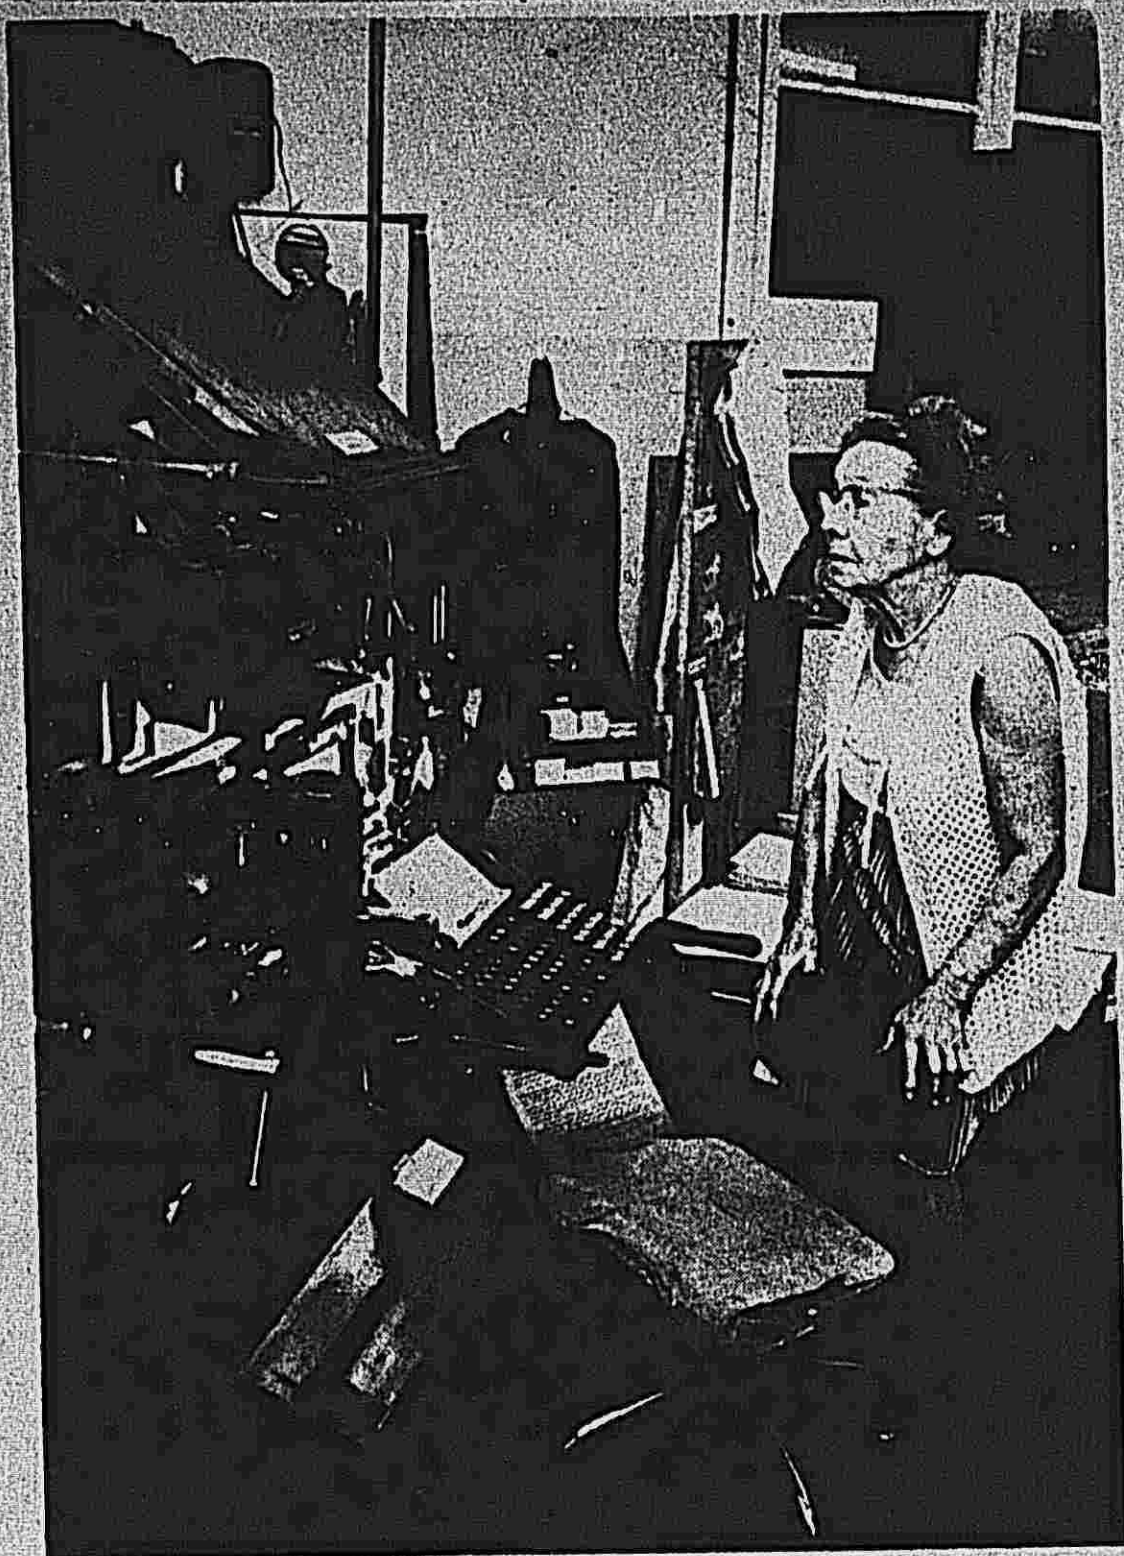

Mrs. Gaston (Margaret, known as Stell) realized her position when the depression came. Her family of four; Elizabeth, Harold, Howard and Robert were growing up. Homer gave her the office books to balance. "But," says Mrs. Gaston, "My husband would not stand for cutting the salaries of our staff during the depression even if the books didn't balance." Then she said, "He called me the miser. He had a heart of gold and the people of Antioch respected him deeply." Her blue eyes glow as she reminisces, "My husband was a militant publisher."

The Gastons rented their second shop from Fern Watson for \$50 a month. It was located in the building of the present Wilton Electric. For 35 years the sign on the door read THE ANTIOCH NEWS. By this time the paper had become a prominent and informative part of the community. As a result personnel was increased: the Gastons, Jean Homan, Pres Reckers, Don Gaston, Ray Nordling and Mabel Sayles.

Antioch and Lake Villa Firemen fight quarter of a million dollar fire for five hours early Sunday Morning. Story and picture on Page 2

Taking the last look after 40 years, Mabel Sayles says good-bye to a career as a linotypist for the Antioch News.

Starting on a hand press in 1910, Mabel Sayles has worked as a Linotype operator most of her life. After working with the Gastons at the Richmond Gazette, she came to the Antioch News and has been the diminutive woman behind the massive presses for over 40 years. Miss Sayles even recalls that when her career began at the Antioch News, she didn't think the job would last!

As the most exciting story in her printing career, Mabel Sayles recalls the robbery at the 1st National Bank of Antioch. They stopped the presses and began a story about the

robbery. However, before that was finished the bank robbers had been caught and the presses stopped again for a new story!

At 83 years young Mabel Sayles is bright and active. She has always lived in Richmond and has known Mrs. Margaret Gaston since 1918. Miss Sayles' 10 acre farm will be her place of work and relaxation now that her long career as a linotypist is over.

Remembering the days before the Linotype when she used the hand press, Mabel offers this thought, "Could be if more people worked by hand we would have less trouble."

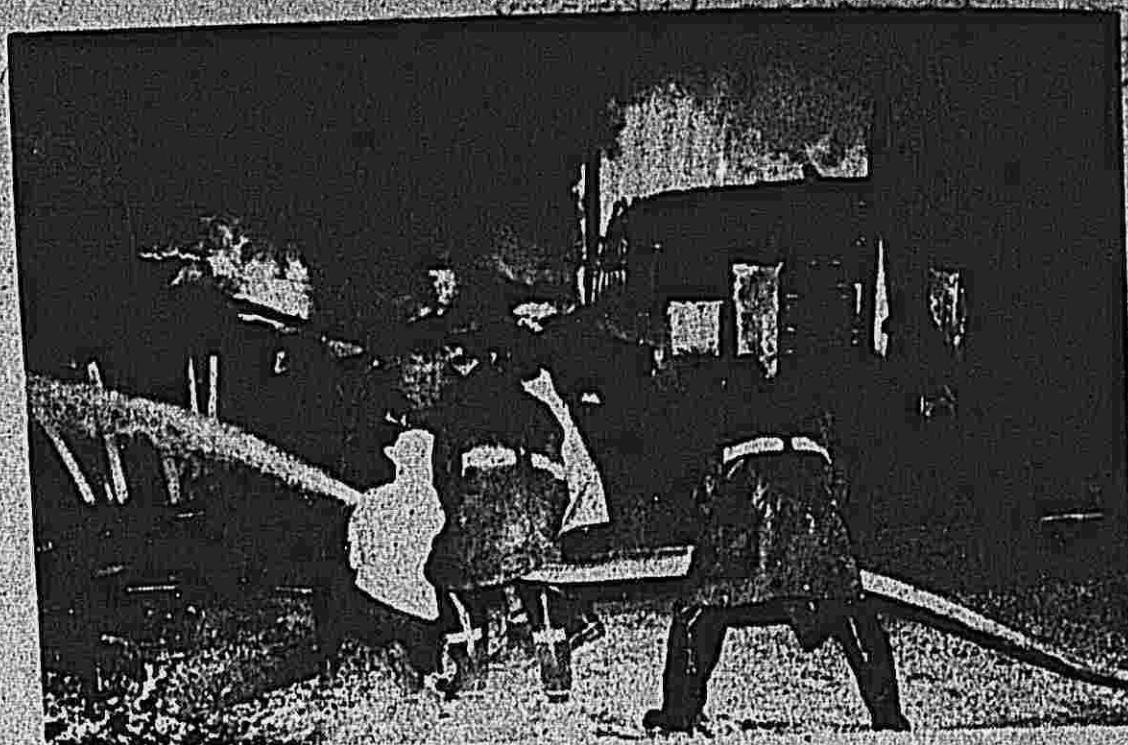

Congressman Robert McClory (R-Ill.) again called for complete withdrawal of all American troops from Vietnam by November 30, 1971. Reintroducing the Concurrent Resolution he had first submitted on May 25th, the Illinois Congressman today was joined by Representatives Baring (Nev.), Collier (Ill.), Derwinski (Ill.), Erlenborn (Ill.), Findley (Ill.), Fisher (Tex.), Gibbons (Fla.), Gray (Ill.), Griffin (Miss.), Halpern (N.Y.), Hanley (N.Y.), Hansen (Idaho), Helstock (N.J.), Johnson (Pa.), Quie (Minn.), Ruppe (Mich.), Sebellus (Kan.), Smith (N.Y.), Carter (Ky.), and Zwach (Minn.).

Congressman McClory, a consistent supporter of the Administration's Indochina policies, stressed that the Congress has an obligation to offer proposals which might assist the President in his efforts to bring the Vietnam conflict to an end. The McClory Resolution makes withdrawal of American forces contingent upon the fulfillment of three pre-conditions:

## OUR Congressman Reports .....

- 1) a total cease-fire by August 15, 1971, to be supervised by a United Nations Military Observer Group;
  - 2) return of all American prisoners of war by September 1, 1971, to be supervised by the United Nations Commission on Human Rights;
  - 3) commitments by North Vietnam and all other governments with military forces in South Vietnam to likewise withdraw by Nov. 30, 1971- also under the supervision of a United Nations Military Observer Group.
- Representative McClory noted that his resolution provides that, upon the return of all American prisoners, all

Antioch Lumber and Coal Co. fire early Sunday morning.

The Antioch Fire Dept. answered a fire call at 2 a.m. Sunday morning to fight a fire at the Antioch Lumber and Coal Co. Shortly the need for additional help became apparent and the Lake Villa Fire Dept. was called in to give aid.

The fire was brought under

control in about an hour and a half, but it was not until some five hours later that the fire department left the scene.

The fire destroyed the old Adams yard building, a storage shed, a car and truck. The cause of the fire has not been determined, but the state fire marshal has been called to inspect the scene.

U.S. forces would withdraw to the perimeters of certain cities or military installations designated by the President and would thereafter refrain from engaging in any ground action or ground reconnaissance.

Mr. McClory indicated that he was extremely heartened by the positive response his withdrawal resolution has evoked since first being introduced three weeks ago. In addition to the favorable reaction which his proposal has generated in the House of Representatives, the Congressman reported that he has received many letters of support from people throughout the country.

### SAME PLAY — SECOND ACT

It would appear that our high school board of education and the teachers association are doing what should not have been done last year all over again. In their annual salary negotiations the board and the teachers have reached another impasse, which means, to the students and taxpayers, they will not listen to each other. Now the teachers have called for a Federal negotiator to mediate the dispute. It would also appear that a Mr. Sanders from the I.E.A. has had a lot to do with the teachers up to this point. You may remember he was around last year to help our teachers and our educational system when the teachers went out on strike. What we fear is the fact that things could be building up again to the same point of no return as last year. No matter how you view the problem, last year's fight between the board and the teachers caused a great deal more harm to the most important people involved, the students, than it did to either of the disputants.

We, of the ANTIOCH NEWS, feel that before things go too far that both teachers and board members sit down and practice the art of communication like the well educated adults they are supposed to be. Approaching the problem from a negative view point did not work before and it is not going to work this time. We do not feel that outside "experts" are needed nor can they be of any real value to our educational system in Antioch in this very special problem.

Again, the only ones who are hurt are the students, no matter what either side claims. The present actions of the board and the teachers are not for the good of Antioch and the students they are supposed to be working for. It would appear a more positive approach to the problem is needed and needed soon. Maybe a little mutual trust would help.

## Hurrah ! Hurrah ! Hurrah !

Three hurrah's for our fire department and our rescue squad. Both groups made up of all volunteer men have been doing an outstanding job for our community. The men who give of their time for both these groups should receive a big vote of thanks from the entire community. The pride they show in their jobs and in their community are fine examples that all of us could do well by following. Both from first hand experience and by watching these men in action they go 100% on each call. A case in point was the Antioch Lumber yard fire of Sunday morning. If the men of the fire department had not been on the job as quickly and as efficiently as they were, it is certain the entire lumber yard would have been destroyed. We can begin to say thanks this coming Saturday night at the Annual Firemen's Dance and when these two groups begin their fund drives let's all do our part and help out.

## Letters to Editor

Just a few lines to wish you and yours best wishes and good fortune with your new enterprise. You can't help but attract new readers, especially with our village and surrounding areas expanding so, and I hope you please them by printing what THEY the people would like to read.

In conversations with others, we all seem to agree it's a necessity to keep current with civic affairs, so you could never print too much concerning our municipality. We'd like to see a few more front pages devoted to our young folks achieving goals and deserving credit, while leaving the back pages for things of ill color.

Perhaps you could establish a section for our homemakers; household hints, recipe exchanges, latest fashions, briefs on clubs pertaining to our women, that sort of thing, —and at the same time encourage our youngsters to write. We all could use a little more and better communication amongst ourselves.

Mr. Editor, you have the gift to make the paper SPECIAL — the professional ability to photograph the news. As they say, one picture is worth a thousand words. We all love to see pictures of friends and relatives, and be able to recognize the people of whom we are reading about. Also, what better way is there to educate our people than by showing them!

But what we really need from all corners is more Humor. Life can be very serious and we all need to smile to keep us healthy.

Oh, I'm sure you'll please

the readers and when they're pleased you will be too with yourself and put forth extra energy and initiative. And if at any time I have any contributions for your paper, I won't hesitate to step forward with them. I truly hope everyone will bring forth their ideas, after all it's their paper too, without them where would you be?

Well, I could go on and on, but I'd better end here and once again "lots of luck to you".

Sincerely,  
Marge Nelson

A note was made on a recent renewal to the Antioch News. G.W. Jensen of Antioch has been a subscriber since 1919. We hope the Antioch News will continue keeping you informed for another 52 years.

I wish to commend the Antioch News for its coverage over the years of happenings in Antioch and the larger Antioch community. It is my feeling that a local newspaper serves best when it reports the happenings of the community and does not go astray in attempting to report world and national news.

I enjoy an occasional editorial pertaining to county, state, and national issues if it is something affecting the general population. However, I look to a Chicago paper when I am interested in state, national, and world news. I reach for the

Antioch News when I wish to know about my own community.

Sincerely yours,  
W.C. Petty

I didn't know the subscription to the "News" had gone up when I sent my check recently. I enclose the balance.

My husband's family have had the News ever since soon after they moved to Antioch seventy years ago. It has been on my own reading table since I was married fifty-three years ago.

I hope you won't forget that we old timers, especially those far away from the home town, greatly enjoy the intimate, gossip columns (such as "Annie Mae") that keep us in touch with some of the other old-timers!

Success to you!

Sincerely,  
Hester Garland

St. Paul, Minn.

As a typical "harried housewife" I especially enjoyed several things in a weekly newspaper. I am interested in news of all community activities, village government, churches and schools.

An entertainment page with notices of plays, concerts, theatre, etc. is of special value when planning where to go.

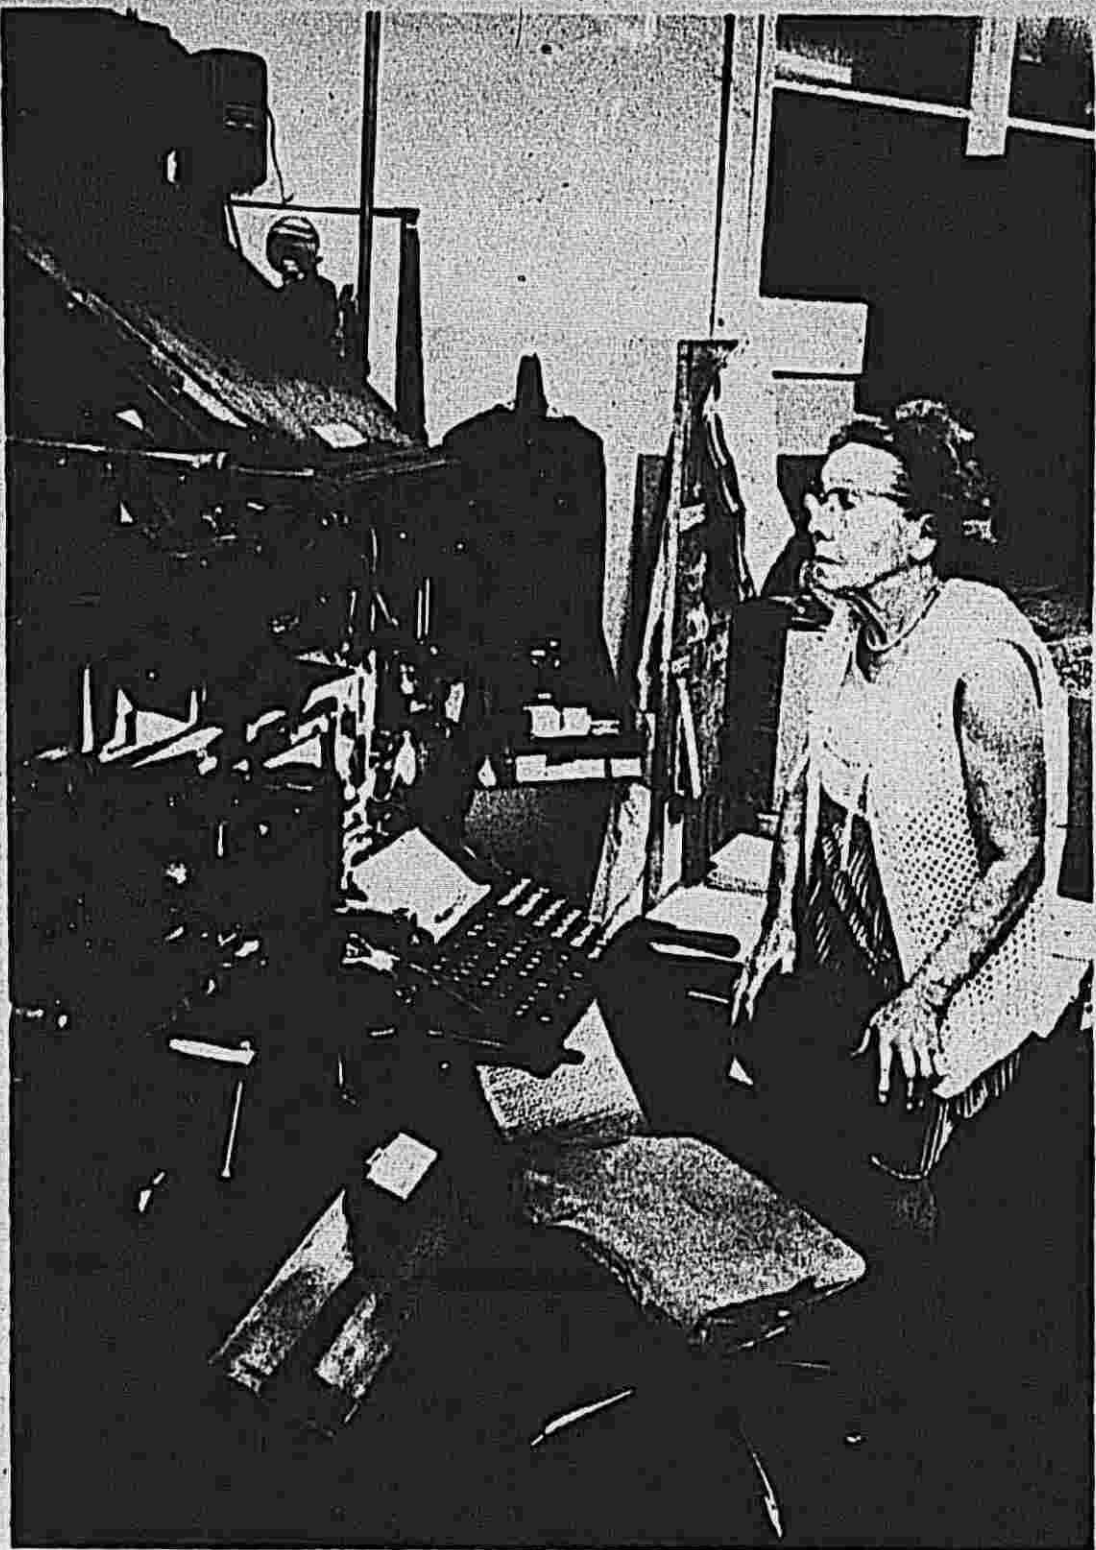

Weekly ads of the best buys in town are also number 1 items of interest to all of us menu planners and money savers.

Best of luck in planning our "New" Antioch News.  
Lots of pictures please.

## VILLAGE BOARD RESTRICTS BUILDER

The regular Monday night Village Board meeting ran the gambit from defective housing to better control of dogs and cats -- with the establishment of a park guard for Oakwood Knolls and a new schedule for garbage collection thrown in for good measure.

Several residents of Oakwood Knolls who occupy Charbrooke Homes attended the meeting to voice complaints regarding allegedly defective homes. Rain cracks were cited among other examples of poor construction. The board authorized Walter Delany, Village Building Inspector, to investigate these complaints and report back to the trustees. The question of how these homes had been occupied without the normal occupancy permit being issued by the village was also raised by the board. It was pointed out that inspection and approval by FHA does not override regular village inspection. It was ruled by the board that Charbrooke Builders be refused additional building permits until the complainants are given some help and the alleged defects corrected.

Mr. Henry Gillman, also of Oakwood Knolls, presented the problem of how to keep unauthorized persons from using the private beach on Cross Lake. He requested that he be appointed as a volunteer park guard with authority to make arrests. His request was granted and Mr. Gillman will be sworn in by Police Chief Jack Davis in the immediate future.

A representative of HOD, Inc., requested change of scheduled pick-up service. The collection service company will begin as of September 1st a once a week unlimited garbage pick-up. Several questions were raised regarding the health hazard present in a once a week type of service. At the conclusion of debate the village attorney was authorized to draw up a new ordinance incorporating HOD's requests.

A request by Body Craft to enlarge their Depot Street quarters was denied because the company does not have sufficient frontage for the building which already exists. It was suggested that Gody Craft go to the Zoning board and ask for a variation.

A suggestion to update the village dog and cat ordinance to avoid discrimination between male and female animals was directed to the village attorney for action to amend the existing licensing regulations.

It was reported to the village trustees that the drain from the new library parking lot has been hooked onto the new storm sewer.

In a discussion regarding one of the lift stations on the sanitary sewer lines it was noted that certain types of refuse, from both residential and industrial sources, tend to block the pumps and hamper the operation of the sanitary system. It was requested that all persons in the village be as discriminating as possible with the types of refuse discharged into the sanitary sewer lines.

Notice was formally given that the village parking lot will be closed on June 28 and 29 to permit resurfacing.

As the result of the board meeting in executive session a regulation was presented that all employees of the village be allowed a maximum of 30 days sick leave per calendar year.

The proposal will be drawn up by the village attorney.

The meeting closed with a request from the A&P that they be allowed to dispense beer samples outside the confines of their building. The board denied their request but said they could do so inside the building and be in keeping with the limits of their liquor license.

## MEDIATION CALLED FOR

After three and one-half months of contract discussions, the faculty and Board of Education of Antioch Community High School have reached an impasse. Thus far all attempts to reach agreement on a contract for the '71-'72 school year have failed, according to Jim Corrigan, Teacher Welfare Committee spokesman. The breakdown in contract talks came about "as a result of the Board's complete rejection of all 19 proposals submitted by the teachers," Corrigan said.

In keeping with the provisions of the current negotiating agreement, the teachers have called for a representative of the Federal Mediation and Conciliation Service to arbitrate the dispute. The mediator is expected to be on the scene within the next two weeks.

Waukegan, June 12—Once again, Bob Roper of Chicago and Bob May of Waukegan fought it out in right to start in the rear of the charged with "unethical and unprofessional conduct" with reference to his law practice. When one considers the many thousands of lawyers currently engaged in the practice of law in Illinois, it is not surprising that the defense of the accused so that innocent persons are not denied a proper defense. If lawyers refuse to defend the guilty, they would be acting as judge and jury before the trial. After agreeing to defend the accused, a lawyer is bound to utilize by fair means all

The feature race had ten lead changes among six drivers with May and Roper switching positions six times in the final seven laps. Al Gutche, who led briefly, was tight behind in third spot and nearly got by May at the checkered flag.

Roper's most recent feature win was May 1 at Waukegan and May had finished second. In that race Roper pushed into the lead on the final lap and then was bumped after the checkered flag by an angered May. Neither driver has given the other an inch since that encounter.

The entire race was packed with excitement and it was no wonder that the large crowd stood and applauded Roper after the hard-fought win. Dave Strickman of Highland Park led the first five laps before spinning off the bumper of Paul Craddock of Round Lake in front of the stands at the start of the sixth lap.

In the 8th lap Tom Jones of Northbrook was in second spot and closing on Craddock when he hit a slick spot in the second turn and sailed into the wall backwards nearly tipping over. One lap later when Gutche spun into the stalled car and then was bumped by Frank Cabrera's car of Chicago, the race had to be stopped. Gutche replaced a tire before the restart and Jones had some repairs made as Bob Delaney of Keeneyville dumped his entire oil pan on the backstretch while coming around to line-up.

Henry N. Barkhausen, director of the Illinois Department of Conservation, has endorsed a proposal to add 1,400 acres of recreation land to the Illinois Beach State Park.

The area has been designated by the federal bureau of outdoor recreation and by the Northeastern Illinois Planning Commission as "an area of first priority for

According to the Illinois State Bar Association, a person may file a claim with the Court for a small fee, he won't need an attorney unless he wants one, and his case will be decided by a judge at an informal hearing—unless either the plaintiff or the defendant asks for a jury. If requested, a jury of six is provided at a cost of \$12.50 or, if specified, a jury of 12 at a cost of \$25.

Generally, the ISBA says, procedures followed in the Small Claims Court are as follows: A short and simple complaint is filed with the Court. The complaint states the nature and extent of the claim, the name, address and telephone number of the plaintiff and the defendant's name and residence or business address. The cost to file the complaint may be as little as \$10 or less (\$11 in Circuit Court, Cook County, in cases of from \$500 to \$1,000.) A summons may be served by certified mail to an address of the defendant within the county for a fee of \$1.50 or it may be served by a sheriff.

The date and time off the hearing is stated in the summons. The defendant is not required to file a formal answer to the complaint with the Court unless ordered to do so by the Court. Also, depositions and other discovery methods for the collection of evidence, often employed in other cases, are not permitted except as authorized by the Court.

During the hearing, strict rules for the admission of evidence may be dispensed with and, after a statement of the claim, the defendant may present evidence. # A modern new look and a broad new concept in banking

In just a short time, First National Bank of Antioch will occupy its modern new home at 485 Lake Street.

Innovation has long been a major concern at First National. Our drive-up windows and satellite bank are recent examples of our concept of constructive change.

Our new home is more than another innovation - it signals a new era in banking service in this region.

Antioch and its neighboring cities are part of a growing Illinois. First National is confident of Antioch's future and we are dedicated to serving its people and its growing economy better than any other bank. We want to reflect the momentum of change and growth occurring all around us, and especially right here in Antioch. And our confidence is signified by the quality of our service and the competence of our staff.

The First National Key and signature symbolize both our heritage and our future. 1970 was our finest year because a lot of you have faith in us. In turn we have faith in you and your future - mutual faith in the future is what banking is all about.

So, why not let First National help you plan for your financial future and - together we will build for a better tomorrow here in Antioch.

## VILLAGE BOARD RESTRICTS BUILDER

The regular Monday night Village Board meeting ran the gambit from defective housing to better control of dogs and cats -- with the establishment of a park guard for Oakwood Knolls and a new schedule for garbage collection thrown in for good measure.

Several residents of Oakwood Knolls who occupy Charbrooke Homes attended the meeting to voice complaints regarding allegedly defective homes. Rain cracks were cited among other examples of poor construction. The board authorized Walter Delany, Village Building Inspector, to investigate these complaints and report back to the trustees. The question of how these homes had been occupied without the normal occupancy permit being issued by the village was also raised by the board. It was pointed out that inspection and approval by FHA does not override regular village inspection. It was ruled by the board that Charbrooke Builders be refused additional building permits until the complainants are given some help and the alleged defects corrected.

Mr. Henry Gillman, also of Oakwood Knolls, presented the problem of how to keep unauthorized persons from using the private beach on Cross Lake. He requested that he be appointed as a volunteer park guard with authority to make arrests. His request was granted and Mr. Gillman will be sworn in by Police Chief Jack Davis in the immediate future.

A representative of HOD, Inc., requested change of scheduled pick-up service. The collection service company will begin as of September 1st a once a week unlimited garbage pick-up. Several questions were raised regarding the health hazard present in a once a week type of service. At the conclusion of debate the village attorney was authorized to draw up a new ordinance incorporating HOD's requests.

A request by Body Craft to enlarge their Depot Street quarters was denied because the company does not have sufficient frontage for the building which already exists. It was suggested that Gody Craft go to the Zoning board and ask for a variation.

It was reported to the village trustees that the drain from the new library parking lot has been hooked onto the new storm sewer.

In a discussion regarding one of the lift stations on the sanitary sewer lines it was noted that certain types of refuse, from both residential and industrial sources, tend to block the pumps and hamper the operation of the sanitary system. It was requested that all persons in the village be as discriminating as possible with the types of refuse discharged into the sanitary sewer lines.

### SPECIAL BOARD MEETING

A special meeting of the Antioch Community High School Board of Education is scheduled for Wednesday, June 23, 1971 at 7:30 p.m. in the Board Room of the General Office of the Antioch Community High School.

"Dive into Summer! Read!" is the summer reading program for children in the first through fifth grades at the Antioch Township Library. The program started on June 21 and ends on August 21. For complete details contact Miss Betty Lu Williams, head librarian or any assistant librarian. Don't let reading skills get away this summer. Enrollment is open throughout the summer.

Laurie Good and Diana Larson will conduct a story hour for children who will be entering kindergarten through the third grade. The story hour takes place on Saturday from 10:30 to 11:30 a.m.

Only about 6,000 stars can be seen with the naked eye from any point on the earth's surface. Even an inexpensive telescope will make visible millions more!

### SPECIAL BOARD MEETING

There will be a special board meeting of the Antioch Grade School board on Tuesday, June 22, at 4 P.M.

New books at the Antioch Township Library include: ON INSTRUCTIONS OF MY GOVERNMENT by P. Salinger. This is a tense and dramatic novel of the awesome consequences of political expediency; not only what could happen, but what is happening.

THE SHADOW OF THE LYNX by Victoria Holt. A story of a young English girl in the 1880's orphaned by the death of her father in Australia. She soon finds herself in the apex of a strange triangle.

THE HEIRS OF THE KINGDOM by Zoe Oldenbourg. Story of two young weavers during the Middle Ages as they seek to liberate the Holy Land.

UPHOLSTERING by Audel. Illustrates the techniques of repair, regluing, sewing and tacking for the householder.

Library hours: Monday thru Friday Noon to 9 p.m. Saturday 10 a.m. to 5 p.m.

Millburn Congregational Church was the setting for the June 12 wedding of Miss Jeanne Marie Hauser to Mr. Peter Lehmann. The bride is the daughter of Mr. and Mrs. Ivan Griswald of Waterloo, Iowa and the groom the son of Mrs. Irene Lehmann of Antioch.

Reverend L. H. Messersmith officiated at the 4 p.m. service. A reception was held at Fiddler's Green, Grass Lake, Antioch. Friends and family from Michigan and Iowa were in attendance.

Matron of honor was Mrs. Donna Lee Hauser and Mr. Charles Haling, Jr. was best man.

The bride's gown was of chiffy embroidered organza with an empire bodice, easy sweep neckline and bishop sleeves. The gown was accented in blue and included a semi-full chapel sweep attached train and a cathedral length mantilla held by a tailored bow.

The bride attended Waterloo High School and the groom is a graduate of Antioch High School.

The newlyweds are now living in Petite Lake after a honeymoon to the East Coast.

The engagement of Miss Carola Hester to Mr. Bruce Yount is announced by her parents Mr. and Mrs. William J. Weber of Lake Villa and Mr. Allen Hester of Pennsylvania. Yount, a student at Stetson University in DeLand, Florida, is the son of Mr. and Mrs. H. W. Yount of Fort Lauderdale. Their wedding is planned for August 21.

### 50th Wedding Anniversary

Mr. and Mrs. Ernest H. Glenn of 1008 Victoria, Antioch, celebrated their 50th wedding anniversary by dining with 11 members of their family at Andre's Restaurant in Richmond, Ill. on June 13. Among those helping with the celebration were their three children, Henry, James and Ruth (Bemis) and their spouses. Also their one grandson, Andrew Bemis.

### GARDNERS

#### CELEBRATE 60th

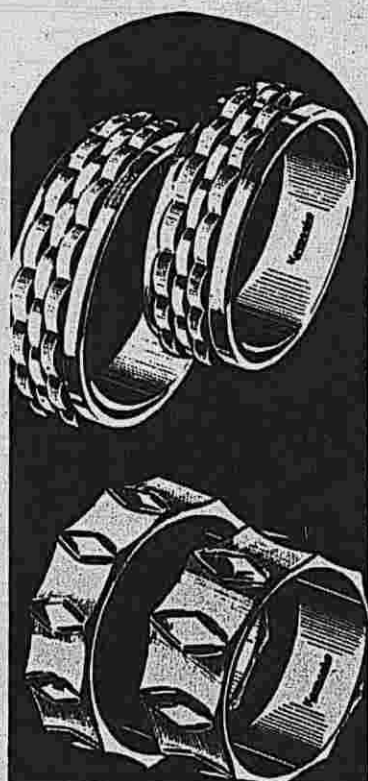

Mr. and Mrs. Lewis Gardner, residents of Antioch for over 13 years, celebrated 60 years of married life on June 17.

In addition to receiving many cards and flowers, the Gardners were visited by their daughter Mrs. Shirley Kath of Arlington Heights, a granddaughter and great grandson. Their son Donald Gardner was unable to celebrate with them.

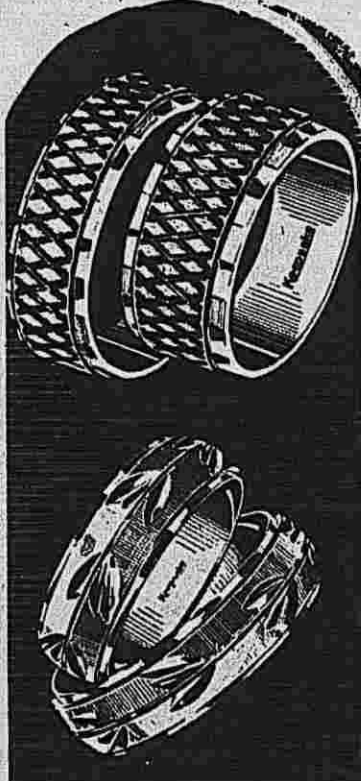

Especially appreciated on their anniversary was the presence of Mrs. Gardner's sister Myrtle Marquiss from California who is now living with them at their home on Lakeshore Drive, Antioch.

HELLO... Our paper has a "new face"... Hope you like it! We will strive to continue, and improve the good work of the Gaston family who has served our community over the past 46 years...

GRADUATIONS KEN VOS and ALAN ANDERSON held a party in honor of their graduation from ACHS recently for their many friends and relatives. Rain drops didn't dampen their spirits as the party moved inside (ear plugs

were in order for the adults, as they are not used to the loud music of our teens today!) Congrats, also to ROSALIE PECHULIS of Lake Villa who recently received her teaching degree, after 15 years of hard study, from Carthage College. Also, BILL SHELDON graduated from the Merchant Marine Academy in Kingsport, N.Y. His parents and two aunts, Louise Johnson and Marge Murphy attended the ceremonies.

Week-end guest Wendy Kuechenmeister, former Antioch resident flew here for the wedding of her dear friend Margo Nadr. She says "Hi" to her many Antioch friends... MIKE and PAT (Strattan) Hruby, former residents of Channel Lake and now of Merrill, Wisc. visited their friends this past week-end.

CLASS OF 1951 held their 20 yr. reunion Sat., June 19th with 27 members of a class of 63 present. Coming the farthest were Leroy Schroeder and his wife, Lois, of Ft. Pierce, Fla. While here they stayed with former classmate Bernie Gutowski and his family...

GET WELL WISHES... to Joe Ring and Nancy Boarini.

MOVING... The Bill Valentine family of 524 Garys Drive will be moving to Kentucky at the end of this month to be closer to Bill's work. Good luck, and we hope you think of us often... The GEORGE VISTAIN family moved "out of town" but only to Beach Grove Rd. Do you plan on doing a little farming, George??

Happy Birthday wishes to JOANNE APOSTAL on June 23.

## LLOYD

Some arsenic, some old lace, some talent and a little luck seem to have all contributed to launching Antioch's own Lloyd Pedersen into show business. Lloyd, a former Antioch resident who now performs with the Wayne King Orchestra, got his first taste of the theatre at Antioch High where he persuaded to try out for the school play "Arsenic and Old Lace" directed by Ken Smouse.

Lloyd, son of Mr. and Mrs. Alfred Pedersen of Antioch, has been performing with Wayne King as the featured male vocalist in this group which features two singers and a 14 piece orchestra. His next tour will be to Disneyland from July 1 to 14 followed by three days in Denver. During this past year Lloyd has sung all over the country on four other tours including Miami and the South, Pittsburg, the Midwest to Denver, and, most recently, The Auditorium Theatre Concert Midwest Tour.

During this past year Lloyd has also been making use of the other occupation for which he has prepared, teaching. Working for Manpower in Chicago, he has been preparing underprivileged women, age 18 to 60, to do clerical work.

Prior to his job with Manpower, Lloyd taught in a little less attractive situation. He was a substitute teacher in some of the worst Chicago schools. Here he found himself instructing classes in everything from Spanish to a class in Service Station! Unfortunately, Lloyd only subbed one class in Theatre. "I loved teaching that one class," he says, "but it was too short."

Immediately after being graduated as a speech and education major from Northwestern University in 1968, Lloyd spent some time at the Wisconsin Dells performing with the musical review "Second Generation of College Kids."

Before his last tour with Wayne King, Lloyd appeared in the motion picture "T.R. Baskin" to be released in November or December. The Paramount Studios picture was filmed in Chicago and stars Candice Bergen and Peter Boyle.

Unbelievably, Lloyd has never rehearsed with The Wayne King Orchestra in the year he has been singing with the group. He appeared in his debut with Wayne King in Dubuque, Iowa on June 24, 1970 without doing so and has never actually rehearsed with the orchestra yet.

A story in persistence lies in how Lloyd came to be with Wayne King. Having heard that Wayne and the orchestra were rehearsing at the St. Clair Hotel in Chicago, Lloyd successfully talked the manager into getting him an audition when no auditions had been planned. A somewhat confused but

Welcome home to all the Antioch area college students. Almost everyone is home now working, looking for work or up to some kind of excitement.

We couldn't contact MIKE POLLEY because he is spending his junior year from Knox College off campus at the University of Freiburg in Germany. After his school year ends there on July 17 his parents Mr. and Mrs. Warren Polley will join Mike in Germany to travel with him.

Mike's brother JIM attends Coe College where he will be a sophomore. Jim is keeping "cool" this summer working at Walker Wholesale Meats.

Working at the high school keeps LINDA HERMAN busy again this summer. After one more semester this fall, Linda will have earned her secretarial certificate at Northern Illinois University.

Some kids never get enough school! JOHN PROSISE, a DePauw University sophomore, was employed for a few weeks at Sherwood Park, then left for California. There he will be taking an eight week summer course in philosophy and art at Stanford in Palo Alto. John will return to DePauw this fall hoping to participate in wrestling and concert band. He was unable to take part this year after he broke his leg in four places one day before the first wrestling match.

French major at North Central College in Naperville CHERYL RECKERS works this summer also. She is employed by Gander Mountain Catalogue Service. She is anxiously awaiting the time when she will return to school as a sophomore this fall.

This summer finds WENDY JENSEN at home scrubbing floors, painting and lots of other activities in preparation for the wedding of her sister Melonnie. For even more interested orchestra leader listened to the unscheduled audition, was impressed, and a big step in Lloyd's career had been taken.

Lloyd speaks very highly of Antioch and obviously still considers this his home although he has an apartment in the "New Town" section of Chicago. Conversation constantly leads to reminiscing about "J.B." and the many other ACHS plays, or "South Pacific" and other plays he did for PM&L. Lloyd also produced and directed the PM&L Young People's production of "Spoon River Anthology".

Recalling "The Diary of Anne Frank," Lloyd laughs at himself for the embarrassment of his first stage kiss. Ken Smouse, his director for that show, laughs along with him as they recall that the stage and the auditorium had to be cleared to get Lloyd to rehearse.

Lloyd will play the role of El Gallo in the PM&L summer musical "The Fantasticks" on July 23, 24, 29, 30 and 31.

### STUDENTS ACHIEVE

MISS GRACE J. YOUNG of 701 N. Main Street, Antioch was among the more than 3,660 students who were candidates for degrees at Southern Illinois University's annual June commencement exercises on June 11 at the Carbondale Campus. Miss Young received her Bachelor of Science degree.

Other loyal residents to receive degrees were Gloria Maske and Eric Nordling, both of Lake Villa.

One hundred thirty three students have been named to the President's List at North Central College as a result of their grade point average for the second semester of the 1970-71 academic year.

Two former Antioch Community High School students are on the list: WENDY P. JENSEN, daughter of Mr. and Mrs. Robert Jensen, and CHERYL RECKERS, daughter of Mr. and Mrs. Preston Reckers, both of First Street in Antioch.

To be eligible for the President's List, a student must earn a minimum 3.500 grade point average for that semester out of a possible 4.000.

Four Antioch High School students have just completed 32 hours of service as Red Cross Youth Volunteers, participating in an after school volunteer program at Downey Veterans Hospital, Downey, Illinois.

These students did an excellent job in their given assignments and gained the admiration and respect of patients and personnel. We are very proud of the students for their generosity of self and time.

## CLC SUMMER SESSION

The 1971 summer session at the College of Lake County is now in full swing. By the close of registration, 1,674 students had enrolled in more than 100 day and evening classes offered on the Grayslake campus. This represents an increase of 300 students over the first summer instructional program offered by the College of Lake County in 1970. In-district students number 1,534, accounting for more than 90 percent of the enrollment, the remaining 140 are out-of-district enrollees. Female students slightly out-number male students 841 to 833. As anticipated, part-time students far out-number full-time students, 1,566 to 108.

## CLC HONOR STUDENTS

Dr. R. Ernest Dear, Dean of Instruction at the College of Lake County, announced that 342 students at the college qualified for the Dean's Honor List for the spring semester of the Academic year 1970-71.

Students from the Antioch area who were named to the Dean's List are John Bjork, Barbara Druse, Richard Fowles, Patricia Johnson, Linda Knutson, Sally Krieger, Victor Lahti, Louis Morjal, John Murphy, Robert Neuman, Cheryl Pincombe and Karen Schreiber.

Also named to the Dean's List are Don Carlson, Janice Heidner, Charles Laine, Linda Lance and Richard Lang all of Lindenhurst.

Dr. Dear stated that the qualifications for the Dean's Honor List require that a student carry a full load of 12 or more semester hours and achieve an overall grade point average of 3.0. Dr. Dear stated that 32 students, including Laura Carrubba of Antioch achieved an overall grade point average of 4.0.

## American Legion Auxiliary News

By Del Jahneke

There will be a Second Division Convention of the Illinois American Legion and the Auxiliary on June 27, starting at 10:00 a.m. in Rock Falls, Illinois. The legionnaires will meet at the Community House, with Lee Wolfe, Rock Falls, 2nd Division Commander, as their presiding officer. The ladies will be at the Rock Falls American Legion Home where Mrs. Victor Jovanovitch of Ottawa, 2nd Division President, will conduct the day-long session. Dinner will be served at noon.

On the agenda will be a revision of the by-laws by Mrs. A. J. Dorn, Mundelein, by-laws chairman. Other business matters will be transacted, and final reports of Auxiliary programs will be given. Awards will be presented. Mrs. Edward Jahneke, Antioch, Division Auxiliary Loan, Education and Scholarship Chairman, will confer a Citation to the district chairman with the finest report in this program.

A memorial service will take place in commemoration of all the deceased members in this division, which is comprised of all of northern Illinois, with the exception of Cook County. Mrs. Robert Broege, Deerfield, District President, will participate in the ceremony.

Later in the day there will be an election of division officers. Mrs. Ray Rathmann, Antioch, has been endorsed by the Antioch American Legion Auxiliary and the 10th District Auxiliary for the office of 2nd Division Vice-president. Following the election, there will be an installation of officers by state officials. Local dignitaries, state Legion and Auxiliary officers will be honored guests at this convention.

It is expected that a large contingent of 10th District members will be in attendance.

Carnival time is here again in Antioch from June 30 thru July 5. It will be held in the fields west of the Lyons and Ryan Ford building, and is sponsored by the Antioch American Legion and Auxiliary 748. Mrs. John W. Horan, president, needs more volunteer helpers. Anyone wishing to donate their time should contact Mrs. Horan by phoning 395-1292.

### CHRISTIAN SCIENCE CHURCHES

The healing power of the Christ will be explored Sunday at Christian Science church services.

Scriptural selections in the Lesson-Sermon entitled "Christian Science" include these words of Christ Jesus: "Verily, verily, I say unto you, he that believeth on me, he that shall he do also; and greater works than these shall he do; because I go unto my Father."

This passage will be read from Science and Health with Key to the Scriptures by Mary Baker Eddy: "Truth's immortal idea is sweeping down the centuries, gathering beneath its wings the sick and sinning, my weary hope tries to realize that happy day, when man shall recognize the Science of Christ and love his neighbor as himself, when he shall realize God's omnipotence and the healing power of the divine Love in what has done and is doing for mankind."

The service begins at 11 a.m. at First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois. All are welcome.

## SOCIAL NOTES by Del Jahneke

The Ray Rathmanns celebrated several graduations at a family party held at the Don Schnoor home in Dolton, Illinois last Saturday. Larry Rathmann had been graduated from Antioch Community High School, and his two cousins had both grade and high school graduations. Mrs. Schnoor is Mrs. Rathmann's sister.

The Kettle Moraine State Park in Wisconsin was the setting for a camp-out, cook-out for twenty girl scouts from Junior Troop 144, and nine adult leaders. The girls had ingeniously fashioned "buddy burners" of cardboard and tin cans, and each girl cooked her three meals a day on her own burner - no complaints on their cooking, but there plenty of compliments! One long hiking trip through the area, and original skits with songs and dances on Saturday evening, performed by the girl scouts, combined to make this camp-out a real pleasure! The adults accompanying the troop were Mr. and Mrs. Richard Ford, Mr. and Mrs. Robert Janunas, Mr. and Mrs. Dan Kasik, Mr. and Mrs. Bernard DeVries, and Mrs. Robert Duha, Jr.

The senior Ed Jahnekes, Beach Grove, attended two graduation parties this past week - one was at the Karl Heuer home in Gurnee and the other dinner party was at Harry Young's house in Waukegan.

## PORTRAITS

### ADD TO HOME DECOR

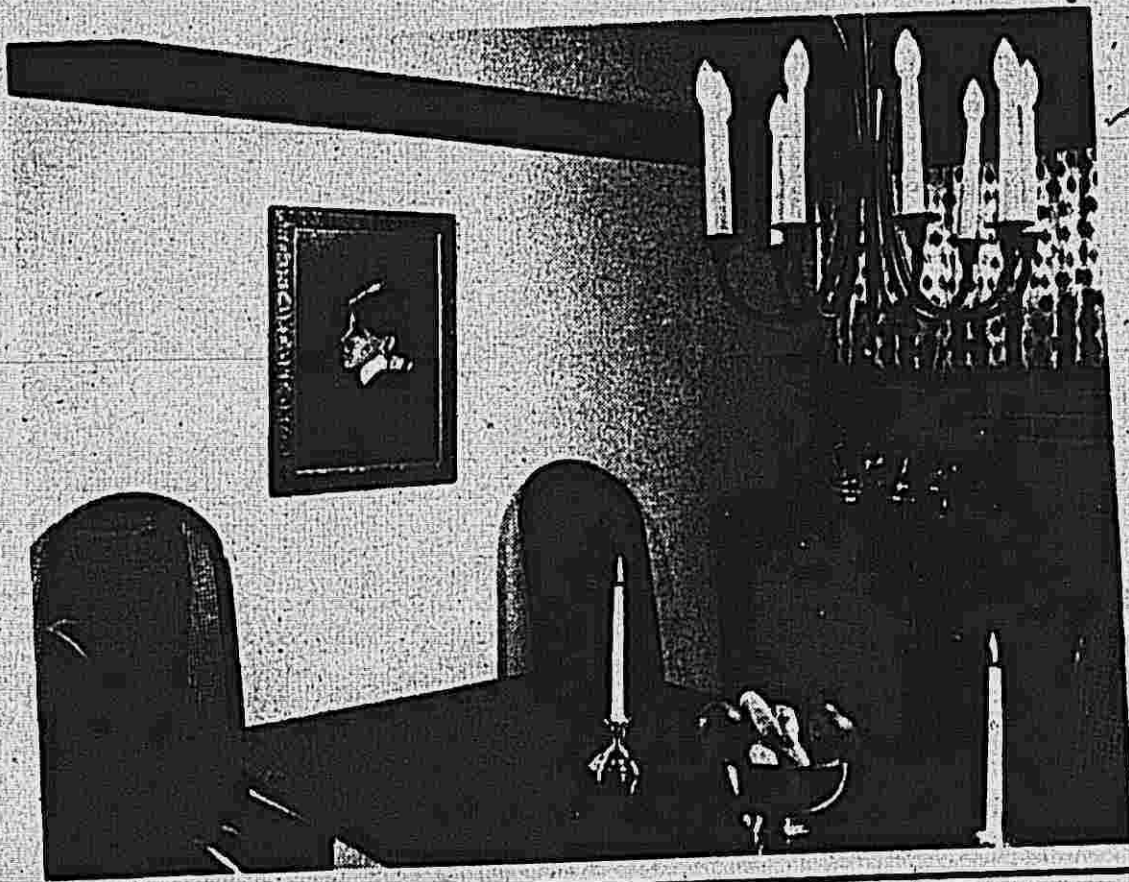

Photographic portraits, much in vogue as decorating accessories in past years, are now enjoying a resurgence of popularity in an increasingly individualistic society.

Interior designers note that people are becoming more and more interested in individualizing their homes, comments Joseph Rush of B-J Studios. Because of our crowded cities, expanding suburbs, and mass-produced homes and apartments, living space often lacks a special human touch.

Mr. Rush explains that something special is provided by portrait arrangements in various rooms. A grouping of portraits is really a gallery of visual memories that record a family's growth. Individual portraits introduce visitors to the personalities in a family and the Great Occasions they've shared, such as graduations, an important birthday, an anniversary, or a wedding.

The impact is subtle but effective. "I'm in a home not just a house" registers the subconscious impression.

Remember, don't let your "Great Occasion" slip by. Call today for an appointment at the B-J Studios, 395-5554, and make your house a home with beautiful portraits of YOUR memories.

**Luau Kabobs - Great New Barbecue Treat**

Tired of charcoaled steaks and hamburgers? Spark your outdoor cooking this summer with a new idea from the grill. Luau Kabobs, a unique and appetizing dish, are sure to please your family and friends.

This unusual relative of the shish kabob features ham chunks, green pepper and pineapple bathed in a sweet and tangy mustard sauce. They are simple to prepare, and may be cooked outdoors on the barbecue grill, or broiled in the kitchen. Either way these tempting kabobs are a delicious new flavor treat.

Serve "Luau Kabobs" on a bed of saffron rice with a tossed green salad and warm crusty bread. Coconut cake and coffee offer a fine finish to this satisfying meal.

**Luau Kabobs**

- 1 1-lb. fully cooked ham steak
- 1 green pepper
- 1 can (15 1/4 oz.) pineapple chunks
- 3/4 cup brown sugar
- 6 Tbs. Gulden's Spicy Brown Mustard
- 2 Tbs. soy sauce

Cut ham and green pepper in 3/4" squares. Drain pineapple. Alternate ham, green pepper, and pineapple chunks on skewers. Combine remaining ingredients; blend well. Brush ham kabobs thoroughly with mustard sauce. Cook on grill, (or broil) several inches from the heat 15-20 minutes. Turn kabobs several times during cooking and baste with additional sauce. Makes 4-6 kabobs.

## B. E. DAY PLANNED

Business Education Day, sponsored by the Antioch Chamber of Commerce, was planned for November 9, 1971 at a recent meeting of the Chamber and the representatives of the schools.

On B.E. Day 170 teachers from the local schools meet with administrators from the businesses and industries in the area for an afternoon session of tours and discussions of the economics and other aspects of business.

Involved in Business Education Day will be teachers from Antioch High School, Emmons School, Antioch Grade School, St. Peter's School and Grass Lake School.

## BENEFIT FOR BRADY FAMILY

The Gurnee American Legion 771 and their Auxiliary are sponsoring a benefit dance for the Richard Brady family at Third Lake, on Saturday, June 26 from 9 p.m. to 1:00 a.m. at the Gurnee American Legion Home. The Brady's home was virtually destroyed by fire early June 15, with the family escaping barely in time. Their dog, the family pet, perished in the fire. Virtually all their possessions were lost in the blaze.

Richard Brady is an active member of the Gurnee American Legion Honor Guard. Mrs. Brady is a past District President, and is serving as Unit President and District Chaplain this year. They have four children.

The Mile-Hi's Orchestra will furnish music for the dance. Bill Krueger is general chairman. Tickets are \$1.50 per person.

Tickets are now on sale for the King Bros. Circus sponsored by the Antioch Chamber of Commerce to be held on July 25. They may be purchased at the Chamber of Commerce office or at any of the three Antioch banks before July 23. Tickets are \$2.00 for adults and \$1.25 for children. The circus will be held at Rt. 173 and McMillan Rd. across from Lyons-Ryan Ford Sales. Two performances on July 25 at 2 and 5 p.m.

Fifty per cent of the advance ticket sales will go toward Chamber of Commerce activities. The Chamber will receive only 20% of the proceeds from tickets sold at the gate (\$2.50 for adults, \$1.25 for children). Among the activities sponsored by the Chamber of Commerce are town Christmas decorations, retailer's promotions and helicopter rides. Office hours are 9 a.m. to Noon.

## LOCAL ARTISTS TO EXHIBIT

Plans have been made for 230 artists and artisans to exhibit at the 15th annual Edens Plaza Arts and Crafts Fair in Wilmette, Ill., Saturday, June 26 and Sunday June 27 from noon until dusk. Claire Gilday and Ellen McDowall of Antioch are among the exhibitors. Mrs. Gilday will show oils, watercolors and pastel portraits. Mrs. McDowall will display watercolor and oil paintings. Both have won numerous awards in local competition. Visitors to the fair will be given a free directory of artists and will find works shown in all media, as well as artists who will sketch caricatures or paint portraits on the spot. Work shown will include paintings in every medium, hand-crafted jewelry, metal, wood and sand sculptures, lapidary, pottery, blown glass, woodwork, filament artistry and apple sculpture.

## Save money on auto insurance, if:

If your insurance company is already giving you a break because you have a good driving record—chances are we can give you a better break with our new Aetna All-Driver Plan.

That's because we're introducing an entirely new, different method of determining rates and providing broad coverage for auto insurance. And there are 10 ways you can now qualify for lower rates or broader coverage.

If you have a fair driving record, but couldn't avoid a couple of fender-benders over the past few years, you're most likely paying a higher price for your coverage. With the new Aetna All-Driver concept, you, too, may be able to save money. And most important, we'll give you the best guarantee in the industry on renewing your policy.

So come in and see us. Or if you can't make it, call. Today.

**HIGH SCHOOL BOARD  
REDUCES 71-72 BUDGET** by \$103,000.

At the monthly high school board of education meeting Albert Bucar, chairman of the budget committee gave a report that the committee was able to reduce the 71-72 school budget by \$103,000. This was done through a 10% reduction in supplies, a 60% reduction in new equipment and the fact that there would be no salary raises for teachers and other personnel for one year.

Bids were opened from various contractors concerning the remodeling and life safety construction of the old high school building. The contracts were awarded to the following firms:

General contract--\$68,789--Benis construction of Antioch.  
Electrical contract--\$78,586--Arjay of Waukegan.  
Heating contract--\$78,722--Davis heating of Kenosha.

Because only one bid was received on plumbing a rebid was called for to be submitted by June 23 for the special board meeting to be held at that time.

The resignation of two teachers was accepted. Mr. Don Drake, A.V. Director, who will be taking over A.V. duties at The College of Lake County and Mr. Roy Sundquist from the guidance department.

The student accident insurance program was awarded to the John Romer Agency of Antioch. This coming year the program will cost each student who wishes the coverage \$4.50 and if they are going to play football the cost will be \$24.50.

It was announced that Antioch High will have a new

American Field Service student this year. The student will be from Australia and will arrive in Antioch sometime in August. His name is Keith Hettless.

**AUDITIONS AT**

**ANTIOCH PLAYHOUSE**

J. J. Butler, resident director at the Antioch Country Club Playhouse announced today that the theatre is accepting applications for summer apprentices and is also auditioning local talent for future productions.

Young ladies ages 12 to 16 will be considered for usherettes during performances and as apprentices in stage-craft.

Adults will be interviewed and auditioned and those selected will enter workshops for training in professional performing techniques.

The mailing address is: Grass Lake Rd. and Rt. 59, Antioch, Illinois. Phone 312-395-3000.

**HOSPITAL SPONSORS**

**SEEK LICENSE**

On July 7 sponsors of the construction of the Countryside Hospital will meet in Springfield with Illinois Hospital Licensing Bureau. A favorable response will allow the hospital board to go ahead with further plans toward the construction of the new hospital.

Those from Antioch planning to attend the Springfield meeting are board chairman G.E. Spong, William Brook, Edward Abderholden, Walter Koziol and E. J. Oftedahl.

**DEATH** — Mr. Joseph H. Ring, 25 years old of Antioch, Illinois passed away at 11:30 P.M. on June 21 at St. Terese Hospital. He was born on May 19, 1946 in Beloit, Wisconsin and resided at Durand Illinois before moving to Antioch in 1952. He graduated from St. Peters Grade School and Antioch Community High School. Mr. Ring holds membership in the St. Peters Church in Antioch. He was the owner and operator of the Antioch Cab Company. He is survived by his parents, Blaine and Geraldine (ne May) Ring of Antioch; 7 brothers; Thomas (Grayslake), Patrick, John, Michael, Mark, Mathew, and William Ring (all of

Antioch). 6 sisters; Mrs. Mary (John) Grandfield, Waukegan; Mrs. Jane (Dennis) Smith, Wildwood, Ill.; Mrs. Martha (Richard) Smith, Waukegan; Teresa, Loretta and Rose Ring (all of Antioch); A paternal Grandmother; Mrs. Lucille Johnson (Shopier, Wisc).

Mass will be held at 10:00 A.M. on Thursday June 24, at St. Peters Church in Antioch. Internment will be at Mt. Carmel Cemetery in Antioch. Friends may call at Strang Funeral Home in Antioch after 2 P.M. Wednesday. Parish prayers will be recited at 8 P.M. on Wednesday. Memorials may be given to Antioch Rescue Squad.

#### SWIM TEAM NEWS

Swimmers on the Antioch swim team lost a heart breaker in a see-saw battle with the Kenosha AAU Club in their season opener, 279 to 291. With just a weeks practice this team looked pretty good and many swimmers got some mid-season times. The swim team is sponsored by the Antioch State Bank and coached by Marty Berry.

Pacing the young swimmers (8 and under) was Judy Houghton with a first in both 25 yd. free and breast, plus teaming with Jean and Mary Ann Cilik, and Cindy Carney on a 100yd. freestyle relay that got a solid first. Judy also swam the butterfly lap on the 2nd place 100yd. medley relay with the above girls. For the boys it was Greg Shepard and John Schmidt who really led the way with four first places apiece. Both were on the winning 100yd. medley relay;

Greg swimming backstroke, John the butterfly and also the winning free relay. Teaming up on both relays with the above two was Greg's younger brother, Mark, who swam the breaststroke in the medley relay. Anchoring the medley relay was Teddy White and on the free relay it was Ricky Sampolinski. Johnny's other two firsts came on the 25 yd. free and fly. Greg's were on the back and breast.

Kit Kakacek was a major scorer for the 13/14 yr olds, getting firsts in the 50 free, 50 breast, 200yd. medley and 200yd. free relay. Jody Fields was on both relays with Kit, plus won herself a 1st in the 50yd. fly.

Mark Hinterberg, 13/14, got a first on the 200yd. medley relay (backstroke) and the 200yd. free relay; also came up with a 1:04.4 (1st) 100yd. free and 1:15.2 (2nd) 100yd. backstroke. Frank Abderholden got his 1sts on the 2 relays & also recorded a 2nd in both the 100yd free and 100yd fly. Jeff Schmidt, another team member contributed greatly with a 1st in the 200yd. ind. medley and 2nd in the 100yd. breast.

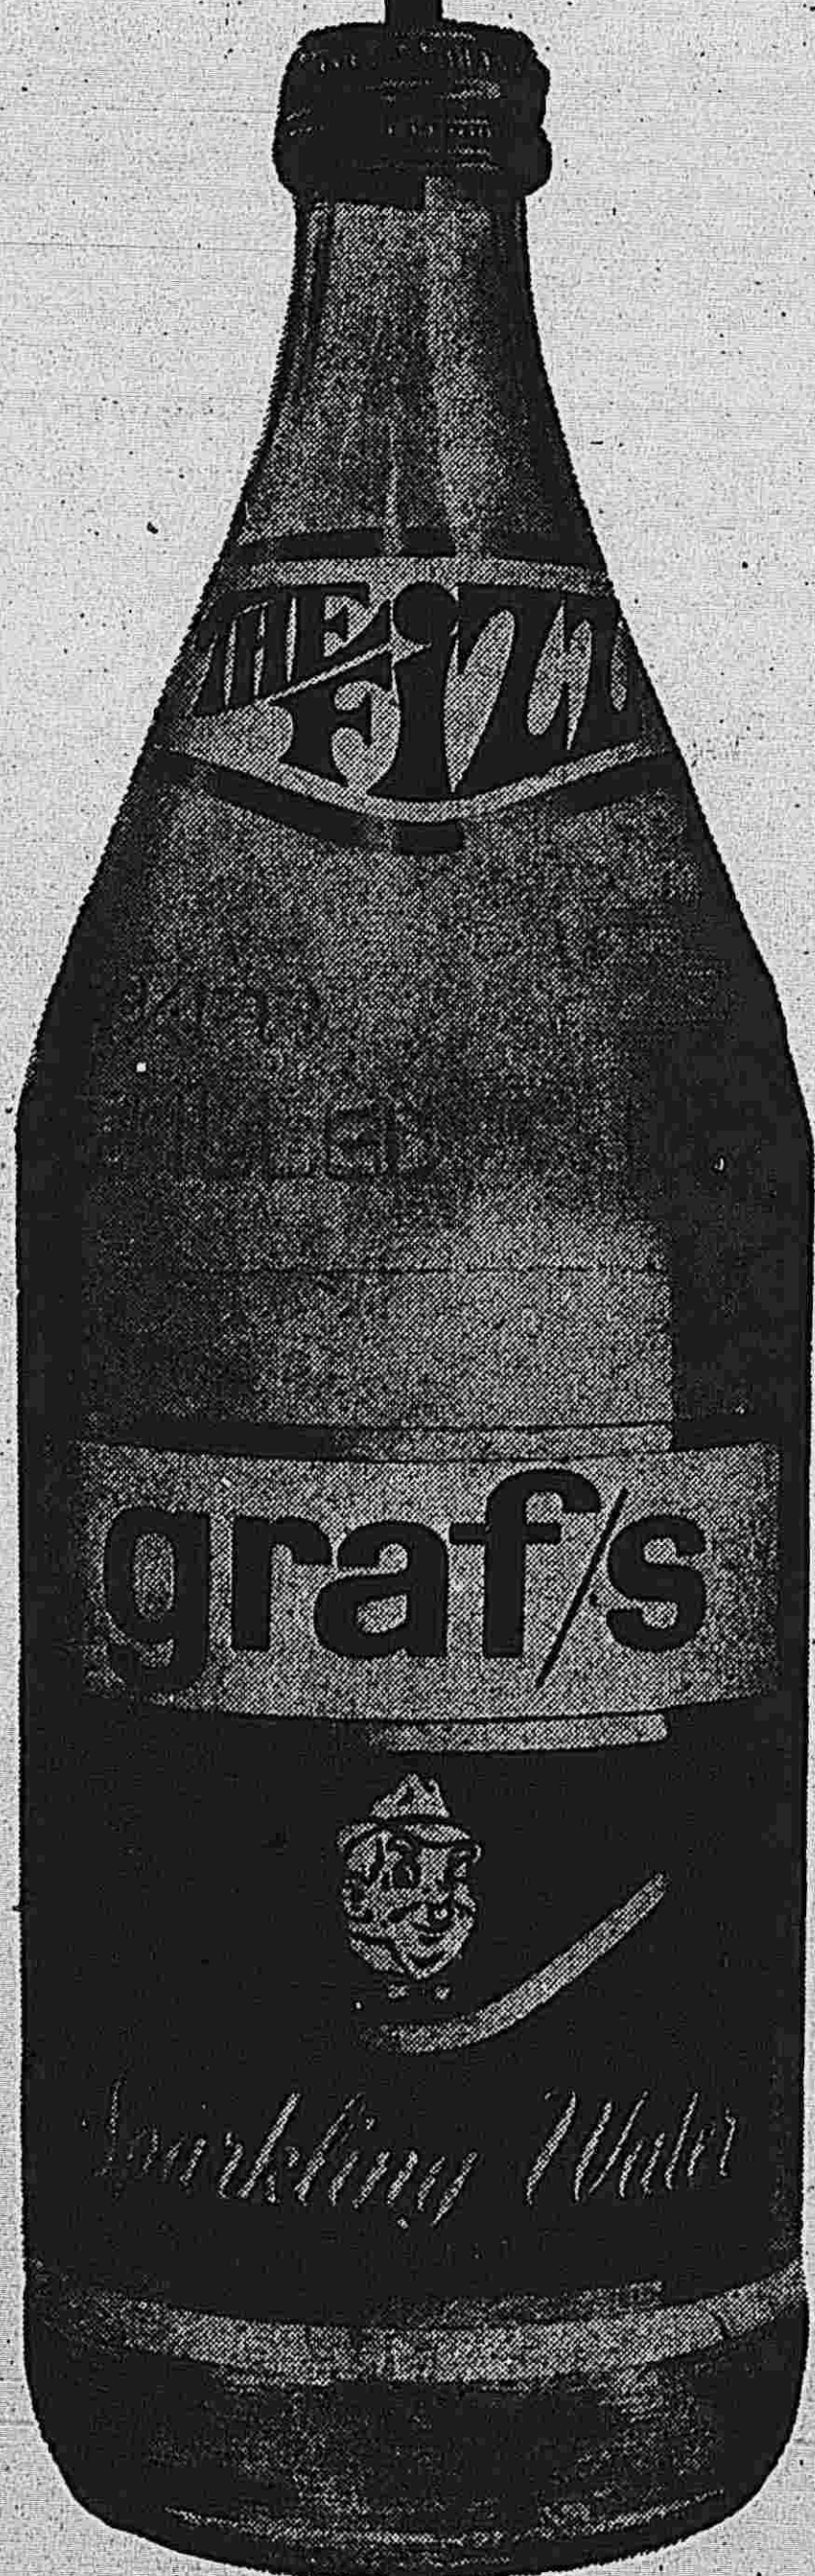

Fourth member, Kevin Walpole

received a 3rd on the 100yd. breast.

Charlene Uresy (15/over) received 1sts on 50yd. free & 50yd. back. Was also on 1st place teams for 200yd. medley relay & 200yd. free relay. Judy Berry who was the other member of the team received a 1st in the 100yd. ind. medley & 2nd on the 50yd. fly. Barb Dodd, on the team also

received a 1st on 50yd. breast & 3rd in the 100yd. I.M. Jane Berry swam on the free relay & added 2nd on 50-back and 3rd on 50-free. Sarah Hollenhorst swam the fly on the medley relay & got a 3rd in the 50-breast.

The Muro's, Mike and Pat, and Berry's, Ed and Dave, teamed up to get a 2nd in the 200yd. medley relay. Then the Muro's, Ed Berry & Bob Dodd came from behind to win the 200yd. freestyle relay. Add to this Mike Muro's 100yd. fly (1:04.8) and 100yd. back 1sts, Pat Muro's 1st in 100yd. free (57.5) and 2nd in the 100yd. fly; Ed Berry's win in the 200yd. I.M., and 2nd in 100yd. breast. Bob Dodd's 3rd in 100yd. breast. Dave Berry's 2nd in 100yd. back & 3rd in 200yd. I.M. Incidentally, Bob and Dave swam up an age group for this meet.

## Rifles sign Herr

The Lake County Rifles football team has announced the signing of another prize rookie. Hoping to bolster their offensive line will be tackle Mike Herr. The 6'3", 250 lb. newcomer was named the most valuable lineman at Xavier University in Cincinnati last year.

Herr played prep ball in his home town of Buffalo, New York where he earned all-state honors at Canisius High. Prior to his senior year at Xavier, he was regarded by his coaching staff as "the best tackle in the country". His play in 1970 warranted a nomination to the coaches All-America game. Mike will be living and teaching in Libertyville.

The five latest veterans to return contracts to the Rifles are John Gavurnik, Jim Scully, Joe Wolfe, Walt Thiel and Mike Jurewicz. Lake County coaches are particularly happy with the return of veteran defensive backs Jim Scully and Dick Wolf. The departure of Vern Pottinger to assume full-time coaching duties at Wisconsin State College has left one void in the defensive secondary.

Other Rifles leaving the fold in that position are Bob Eskew and Pat Owens. Eskew has signed a free agent contract with the Los Angeles Rams and

will be going to camp with the California club. Owens has asked an outright release, presumably to play with the Joliet Chargers.

The Rifles have been working out unofficially at Carmel High on Monday and Wednesday evenings. Attendance has been primarily confined to quarterbacks, runningbacks and receivers. Regular 1971 training camp will open at Carmel Stadium in Mundelein June 28.

Bill Brook, State Bank pres., and Zeke Bratkowski of the Green Bay Packers await their turn to tee off at the 5th Annual Charmglow \$30,000 Pro-Am Celebrity Golf Tournament.

Zeke Bratkowski of the Green Bay Packers and the Grand Old Man of Pro Football George Blanda of the Oakland Raiders warming up the putting irons for the 5th Charmglow Golf Tournament.

## CHARMGLOW'S PRO-AM

George Blanda, probably the most outstanding fourth quarter hero of the 1970 National Football League season, headed the list of 38 celebrities who played in the 36 fivesomes in the 5th annual Charmglow golf tournament at the Bristol Oaks last Friday.

This tourney is the richest one-day golf tournament in the world. The winners for the day

## INTERSTATES RACING ASSOCIATION

Whitey Harris lost a long lead in the feature race for modified stock cars at the Lake Geneva Raceway Sunday night but was able to stay ahead and get his third feature race on the IRA Circuit for the season.

A restart was necessary when John Bank spun cussing Jim Sullivan to skid to a stop without hitting Bank. Roger Otto was right behind Harris on the restart but could keep up with Harris. Otto later gave way to the pressure from Johnny Beimer and dropped back to 3rd. Al Schill was running third but his engine gave out moving Ron Bergsma up to fourth.

Jr. Dodd took the lead in the semi from Greeg Shoe after Shoe made an early pass on Ray Stevens and Dodd stayed in front to the checker but was nearly caught again by Shoe at the end.

Jack Ashenbrenner set fast time in the Sportsman division and won the feature but finished only second in his heat.

## NEWS TO COVER by DAVID RUSH

### BASEBALL

Beginning with this issue, the Antioch News will carry box scores, rosters and pictures of the local baseball games. This will include a story on the little league game of the week.

Antioch has three leagues; minor league, little league and Babe Ruth league. Minor league is for boys five to eight years old while little league includes boys of eight or nine through twelve. These older boys have sponsors and uniforms.

The oldest league, Babe Ruth, is for those boys 13 to 15 years old.

The organization running the three leagues contains a board of directors and four officers. These officers are President-Bob Caldwell, Vice-president-Bernie Gutowski, Treasurer-James Fields and Secretary-Harry Stewart. Vice-president for the minor league is Dick Proctor.

The little league is broken into two divisions, white and gray. The White division contains the following teams:

	MANAGER	SPONSOR
Tigers	Bernie Gutowski	State Bank of Antioch
Yankees	Dick Kessler	Teresi Chevrolet
Dodgers	Norman Thibedeau	Antioch Savings & Loan
Pirates	Gorden Volling	1st National Bank

The Gray division contains the following teams:

Orioles	Tom Poulos	Walsh's All Seasons
Giants	Dave Miller	Antioch Lumber
Cubs	Ron Vos	Lyons-Ryan Ford
Cards	Tom Brophy	Northern Gas

The minor and little league games are both held at the little league diamond on North Main Street. The Babe Ruth games are held at the Antioch High School athletic field just off 173 and Main Street.

More Card runner advance in their one-sided 20-1 victory over the Pirates.

### GAME OF THE WEEK

The Pirates would probably rather forget last Thursday's game. A rampaging Cardinals team ripped through 3 pitchers to score a 20 - 1 victory in the nightcap. Pirate pitcher Bloom held the Cardinals scoreless in the 1st inning, walked in 1 run in the 2nd and allowed 3 runs in the third before the onslaught hit. Despite 2 new pitchers, Smith and Radke, the Cardinals blasted across 15 runs in the hapless 4th inning. With 1 more run tallied in the 5th by the Cardinals, the Pirates faced a 20 - 0 debacle and Cardinal pitcher Matt Brophy stood to add a shutout to his record.

But, this was not to be. The starting pitcher for the Pirates, Ken Bloom, had been moved to third base and was still in the batting order. He led off the final half-inning with a double and scored on a stolen base and an error. Revenge is sweet. Final score: Cardinals 20 - Pirates 1.

### NEW WINNERS AND RAIN AT WILMOT RACES

Four of the five 10 lap heat race wins at the Kenosha County Speedway in Wilmot Saturday night were recorded by drivers getting their first checkered flag of the season. Following the five heat races the rains came ending what would have been the most exciting night of racing at Wilmot. The track had already suffered great damage due to the four inch rain fall on the previous night and in many instances the cars became like airplanes on short flights as they bounced through the deep holes.

Much track repair work and a 50 lap feature race has been scheduled for the races coming up this Saturday night, June 26.

Ray Dropp, Paletine, needed only one lap to come from his fourth row starting spot and wind up with a large lead over John Rank, Milwaukee and Ed Irving, Waukegan, in the first heat. His was the single win recorded by a driver who had already carried a checker in the 1971 season.

Larry Leach, Elkhorn took the second heat race lead but spun out turning the front spot over to Decon Huntley, Elgin who was making his first appearance of the 1971 season.

Huntley went on to win over Allen Kautz, Twin Lakes, another driver back for the first time this season, and Mouse Wade, Gurnee, who had wrecked on the previous Saturday night. Roger Isles, Waukegan, had little trouble getting by Jerry Hester of Milwaukee and won over Ray Dobbs, West Allis and Hester.

Will this scene be repeated? That's the question many are asking as they are looking forward to picking the winner of the rich 2nd Annual Antioch Championship Race Night at Wilmot this Saturday night. Last year it was Ray Toft, Antioch Mayor, awarding the winning trophy to Whitey Harris, Lake Villa. This year at least half the picture will change as Joe Rush of the Antioch News will make the Trophy presentation. Antioch's Tom Anderson, who ranks out of the top ten at Wilmot, expects to change the other half of this picture by winning the rich race.

Ron Marish, Milwaukee, one of the most promising rookies on the IRA Super Circuit, won the 4th heat ahead of veteran Ron Bergsma, Richmond and Jim Sullivan, Fox Lake.

Dick Aissen, Ringwood, continued the embarrassment to the veterans as he beat Champion Whitey Harris, Lake Villa and Chuck Acheson, Milwaukee, in the 5th heat.

#### REALIGNMENT

Representatives of seventeen of the twenty high schools involved met at Mundelein High School on Monday, June 14 to act upon recommendations of the Realignment Committee that has been meeting for the last six months.

The original purpose of the committee was to discuss the realignment of the North Suburban Conference, the Northwest Suburban Conference, some of the Tri-County Conference, and some non-affiliated area schools.

The Rationale used in this study were the size of the schools, the distance between the schools, the athletic programs already operating in the schools, and the umbrella arrangement for the development of new schools.

The recommendation from the committee is as follows. The North Suburban East Division would include Lake Forest, Libertyville, Zion, North Chicago and Mundelein. Included in the West Division would be Crystal Lake, Dundee, Crown, McHenry and Barrington.

The Northwest Suburban North Division would include Antioch, Grant, Grayslake, Lake Zurich, Wauconda, Cary Grove, Stevenson and Round Lake would comprise the South Division.

This recommendation was approved overwhelmingly by the superintendents at this meeting and the superintendents have been instructed to place this item on the agenda for the next meeting of their Board of Education for ratification. The Antioch Community High School Board of Education has approved the recommendation.

It is the plan to have this realignment in implementation by September 1973 or earlier if practical.
